

To know Christ and
to make Him known

March 2009

... declare the praises of Him who called you out of darkness into His marvelous light (1 Peter 2:9)

Look What God is Doing...

Look what God is doing
all across the land
See His Spirit moving
Feel His mighty hand
Breaking chains of darkness
Setting captives free
Look what God is doing
for those who do believe

He is calling faithful men
To carry out His plan
So in the power of
Jesus name
Go possess the land

Take the living gospel
Mix it with some love
Add a little action
And see what our God does

Glory Halleluia,
look what God is doing...

(song by Scott Wesley Brown)

B2b

Student Center

We've added new services at B2b! There is now a space for a mini-library, with books that cater to students in college, high school, elementary, & even pre-school pupils. We welcome donations of books & educational materials...

Daisy also offered English tutorial classes during the weekend for college & high school students.

**ESSU
@ 50**

The Eastern Samar State University celebrated its Golden Foundation Anniversary last February. We joined by putting up a booth where we sold books & gift items, distributed New Testament, displayed our photos & other info materials.

**EAS
& Eco-park**

Students gathered at the College of Agriculture & Natural Sciences Eco-park a week before the final examinations.

Work projects ... While other young people are very busy seating in front of the computer with Farmville, we are sweating it out in our real Gardenville.

To raise funds for our participation in the Youth congress & Youth Workers Conference, we prepared and sold out flowers & cards during Valentines day.

Congratulations to the Graduates & Honorees!

We thank God for our students who graduated this year and who received awards. At the college level, Richelle graduated with the degree BS in Computer Science. While Michelle & Marichie graduated from the high school level.

The following are students who received awards:

College:

- Meg Aui - Service Award
- Aura - Spelling Bee winner

High School:

- Edson - Department
- Angela - 4th Honor

Serving with the Navigators

Dear brothers and sisters in the Lord,

Thanks for the prayers and financial support to this ministry! The past few months we were so busy with the new things and opportunities that the Lord has been laying before us. To God be the glory!

Please continue praying with us for the Lord of the harvest to send more workers in E. Samar because the harvest is plentiful but the laborers are few...

You are blessed to be a blessing! God bless...
